Dated, Chitalong, 22nd May 1897

10,

The Secretary to the
Government of Mysore
General and Revenue Departments

Sir,

I have the honor to
the favor of your obtaining the
of Government for the
of an additional hand on Rs 12
a month to assist the local and
district funds clerk of my office
who as you are well aware, has more
work to get through than can be
discharged by a single individual
efficiently

2. The posting up of Vernacular
correspondence from the seven
Talukhs and two Sub Talukhs retained
by the Local Fund clerk to

ready reference, the scrutiny and check of Estimates, Bills and vouchers received from Talukhs for works sanctioned from Local Funds General and District Funds; the maintenance of correspondence both in English and Kanarese; the preparation of accounts and statements (which have of late become too many) to be rendered to Government and to the Comptroller; Such are the various kinds of work the Local Fund Clerk has to do with accuracy and precision and I need scarcely state that it is impossible for him to do the work satisfactorily, single handed as he is.

3 Should my recommendation meet with the approval of Government, I beg to propose that the entertainment of the additional hand be sanctioned from 1st June 1897, as the correspondence and account work is especially heavy now owing to the approaching close of the fiscal year. The cost for that

month

month may be met from the provision
of Rs 100 made under "C I (4) Travelling
allowance to Establishment in the
current year's District Fund Budget;
and a supplemental budget will
be submitted in due course for
the next year. I also beg to propose
that the whole of the pay of the
additional hand be debited
to District Funds as in the case
of the Local Fund clerk now on
my Establishment.

I have the honor to be,
